

# Community Partner Sponsorship Information

We are a 501(c)(3) nonprofit dedicated to youth development through mountain biking. Sponsorship funds support team operations including practice supplies, snacks, beverages, and essential equipment like spare bikes, racks, tents, and signage. Coaching staff are non-paid volunteer roles. When equipment needs are met, remaining funds go toward scholarships that help student-athletes cover team and race registration fees. Sponsorship is annual. Promotional materials are finalized in June for the July season start.

In mountain biking, trail difficulty is marked as Black Diamond (Advanced), Blue Square (Intermediate), and Green Circle (Beginner) - a fitting metaphor for the levels of support you can provide! Would you consider joining us on this journey?

**Black Diamond**  
**\$1500**

**Blue Square**  
**\$750**

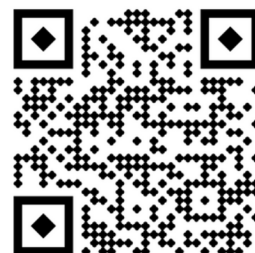

**Green Circle**  
**\$250**
